Fully Dye Sublimated 4' Form Fitted Spandex Table Cover
Closed Back / 4 Sided - 30"W x 48"L x 42"H

This proof is for content only. Images are subject to following the contour of the fabric after the tablecloth is stretched onto the table. Table leg pockets fit up to 1.5" diameter table legs.

This product is being printed digitally in 4 color process (CMYK). PMS numbers are used as a reference point and colors will be matched as close as the 4 color process can achieve, however it is not always an exact match. Do not expect the finished product to look like the colors displayed on your computer monitor. Reference a PMS number for graphic colors. If PMS numbers are not called out and the proof is approved on CMYK values only we will not accept returns for color discrepancies. It is recommended that PMS colors be assigned to spot color elements or a physical "match print" be provided if color is critical.
